If there is any conflict between these PFM Service terms and conditions and the terms and conditions in the rest of this Agreement, then these PFM Service terms and conditions will apply in respect of the PFM Service. In addition, if the Trustee subscribes for PFM Services, special terms and conditions will also apply, as more particularly set forth in the PFM Special Terms attached to and forming part of this Agreement. If there is any conflict between the PFM Special Terms and the terms and conditions in the rest of this Agreement or in respect of this article 3.10, Personal Financial Management, then the PFM Special Terms will apply for the PFM Service. Further

- a) in connection with the PFM Service, the Trustee agrees to provide true, accurate, current, and complete information about an asset and/or liability when required by the Financial Institution. Further, the Trustee agrees to notify the Financial Institution of any changes to such information within a reasonable period of time;
- b) the Trustee agrees to inform the Financial Institution, through Direct Services, of the External Account, asset, or liability they wish to link or add to the PFM Service, including the modification or removal of any linked or added External Account, asset, or liability;
- c) the Financial Institution and the PFM Service Provider each, individually, have the right, in their sole discretion, to refuse to link or add an External Account, asset, or liability to the PFM Service for any reason, including, but not limited to, inability, cost, or inconvenience of linking or adding the External Account to the PFM Service;
- d) the Financial Institution reserves the right to verify the External Account;

- h) the Trustee agrees that the PFM Service may, from time to time, access the External Account to ensure that the personal financial information on file is current, and to update the personal information on file if it is not, using information retrieved from the External Account. Such access will be at the discretion of the PFM Service provider and will typically occur when the Trustee accesses Direct Services, but may be more or less frequent; and
- i) the Trustee acknowledges and agrees that any information provided by the Trustee about an asset or liability that is not under an External Account or the Account, is provided at the sole discretion of the Trustee. 3.11 REMOTE DEPOSITS – If the Financial Institution, through Direct Services, makes the Remote Deposit Service available and the Trustee uses the Remote Deposit Service, the Trustee acknowledges and agrees that:

- a) solely for the Remote Deposit Service, the Financial Institution appoints the Trustee as its agent, to act on behalf of the Financial Institution in the creation and transmission of an Official Image to the Financial Institution, and any other related duties that may be required by the Financial Institution, all in accordance with the Rules and applicable legislation governing Instruments. In this context,

TERMS AND CONDITIONS (CONTINUED)

transmission to and receipt by the Financial Institution of the Official Image will have the same effect as if the Instrument was delivered to a branch of the Financial Institution for negotiation and clearing. The Trustee acknowledges and agrees that this role as agent cannot be further delegated by the Trustee except to a Signing Officer appointed in accordance with article 2.4, Authority and Liability of Signing Officers. Further, the Trustee acknowledges and agrees that the Trustee shall be personally responsible and liable for:

- i) compliance with this Agreement,
 - ii) maintaining adequate security over any Access Terminal used, the location of use of the Access Terminal, and any passwords, so as to prevent use by others or interception of data transmitted,
 - iii) ensuring that all Official Images created and transmitted are of good quality and fully and accurately capture all material details of the Eligible Bill,
 - iv) maintaining adequate safeguards and procedures for the preservation of originals of all Eligible Bills transmitted as Official Images, and
 - v) verifying that deposits expected to be made to the Account reconcile with dates and amounts applicable to transmissions made using the Remote Deposit Service and for providing immediate notice to the Financial Institution of any errors, omissions, irregularities, or concerns about suspicions of fraudulent Instruments or compromise of the security applicable to the use of the Remote Deposit Service;
- b) the Financial Institution may, upon receipt of what reasonably appears to qualify as an Official Image, treat such as an Official Image and, as if it were an original of an Instrument received at a branch of the Financial Institution, subject to this Agreement and any policies of the Financial Institution governing Instruments;
- c) the creation of an Official Image will be done using a method authorized by the Financial Institution, in its sole discretion, from time to time. Further, the Trustee agrees to take all proper and necessary precautions to prevent any other person, except a Signing Officer appointed in accordance with article 2.4, Authority and Liability of Signing Officers, from purporting to create or transmit an Official Image to the credit of the Trustee's Account;
- d) nothing in this Agreement obliges the Financial Institution to accept for deposit any item whether it is or purports to be an Official Image. The Trustee shall not purport to create or transmit an Official Image of any item that does not qualify as an Eligible Bill or any item that is post-dated, stale-dated, received by the Trustee from anyone other than the drawer of that item, or that is in any way altered. If the Trustee has any suspicions or concerns about the authenticity, validity, negotiability, or chain of title to any item purporting to be an Eligible Bill, then the Trustee shall not seek to use the Remote Deposit Service for negotiation or collection of that item, but will instead bring the original of that item to the counter of the branch of Account, identify the specific concerns to the Financial Institution, and fully disclose all material facts known by the Trustee relating to that item and fully cooperate with any inquiry or investigation of the concerns;
- e) under the Remote Deposit Service, Eligible Bills are restricted to those Instruments in Canadian dollars or United States dollars, drawn on a financial institution domiciled in Canada or the United States, as and if applicable, in the sole discretion of the Financial Institution from time to time. The Trustee shall not seek to use the Remote Deposit Service to deposit any Instrument into an Account different than the currency denominated on the Instrument. Canadian dollar Instruments shall only be deposited to a Canadian dollar Account. United States dollar Instruments shall only be deposited to a United States dollar Account;
- f) Official Images received through the Remote Deposit Service are subject to number and dollar limits that may change from time to time without prior notice to the Trustee;
- g) any Transaction made on any day or at any time during which the Financial Institution is not open for business, may be credited to the Account on the next business day of the Financial Institution;
- h) once an Official Image of an Eligible Bill has been transmitted to the Financial Institution through the Remote Deposit Service, no further Official Images of that Eligible Bill will be created or transmitted through the Remote Deposit Service (or any other similar service) unless the Trustee is requested to do so by the Financial Institution in writing. Further, the Trustee agrees to make no further use of the original of an imaged Eligible Bill, and shall safely retain possession of the original of the Eligible Bill without further negotiation, transfer, or delivery to any other person or holder. In addition to all obligations and responsibilities either set forth in this Agreement or elsewhere, the Trustee agrees to indemnify and hold the Financial Institution and its service providers and Central 1 and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to the Trustee's use of the Remote Deposit Service or duplicate negotiation of items that were at any time presented as Official Images of Eligible Bills. The Trustee must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defence of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent

permitted by law. Without limiting the foregoing, the Trustee will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential incurred by the Indemnified Parties as a result of any breach of this Agreement, or any claims arising from or relating to misuse of Official Images or items purporting to be Official Images, or negotiation of Eligible Bills where an Official Image has also been transmitted for collection;

- i) on transmission of an Official Image of an Eligible Bill to the Financial Institution, the Trustee is responsible for immediately marking the face of the Eligible Bill with a blatant notation or mark that prevents renegotiation of the Eligible Bill and indicates that the Eligible Bill has been imaged and transmitted, taking care not to obliterate any material particulars of that Eligible Bill. (For example: This can be done by writing "void" or "paid" or placing a diagonal stroke across the face of the item with a pencil, pen, or brightly colored highlighter.) For a period of 120 days after transmission of the Official Image to the Financial Institution, or such shorter period as stipulated by the Financial Institution in writing, the Trustee shall retain and produce to the Financial Institution on written request the original of all imaged Eligible Bills. If the Trustee receives a written request to retain or produce, the Trustee will comply with the written request, and shall, if requested, produce, by delivering to the Financial Institution, the original of all specified Eligible Bills within 5 business days of such request. If the Trustee fails to comply with the written request made pursuant to this provision, then the Financial Institution can place a hold on or reverse any credit made to the Account in relation to those specified Eligible Bills, even if such creates an overdraft on the Account. If no written request is received within that time, then 120 calendar days after an Official Image has been transmitted to the Financial Institution through the Remote Deposit Service or such shorter period as stipulated by the Financial Institution in writing, and provided that the Trustee has verified a credit to the Account that reconciles to the Official Image transmitted, the Trustee agrees to immediately proceed with destruction of the original of the Eligible Bill. Destruction methods include shredding, pulping, burning, or any other means that ensures that the original Instrument cannot be reused;
- j) the Trustee is responsible for any and all costs associated with obtaining a replacement Instrument in the event that the Financial Institution requests that the Trustee re-transmit an Official Image in accordance with h) above, and the original Instrument was destroyed in accordance with i) above or otherwise lost;
- k) in the Financial Institution's sole discretion, electronic notices for purposes related to the Remote Deposit Service may be generated and sent to the Trustee at the Notice Contact Information after the Trustee uses the Remote Deposit Service to transmit an Official Image, including to advise the Trustee of the receipt by the Financial Institution of an Official Image. To receive such electronic notices, the Trustee must provide the Notice Contact Information required by the Financial Institution;
- l) an electronic notice, if any, sent in connection with the Remote Deposit Service is for information purposes only and is no guarantee that the Official Image will be accepted by the Financial Institution or that the Account will be credited; and
- m) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of use of the Remote Deposit Service, including, but not limited to, a delay in processing a Transaction or the Financial Institution requiring the Trustee to obtain another Instrument.

3.12 ONLINE PAYMENT – If the Financial Institution, through Direct Services, makes the Online Payment Service available and the Trustee uses the Online Payment Service, the Trustee acknowledges and agrees that:

- a) the Online Payment Service is only available in Canadian dollars from Participating Merchants;
- b) Transactions for the Online Payment Service must be initiated by the Trustee through the appropriate online payment option available on the website of a Participating Merchant;
- c) as soon as the Trustee authorizes a Transaction through the Online Payment Service, and provided that there are available funds or credit, the amount of the Transaction will be withdrawn from the Account or a hold will be placed in the amount of the Transaction. The Financial Institution will hold the Transaction amount until the Participating Merchant successfully claims the Transaction or 30 minutes have elapsed, whichever comes first. The Financial Institution has no obligation to and will not pay interest on the Transaction amount. To the extent permitted at law, the Financial Institution is deemed to have a security interest in the Transaction amount from the time the Account is held until the Participating Merchant successfully claims the Transaction or the hold is removed;
- d) Transactions sent and received through the Online Payment Service are subject to number and dollar limits that may change from time to time without prior notice to the Trustee;
- e) the Financial Institution will not be responsible or liable for any losses or damages incurred as a result of funds held and/or limits set by the Financial Institution, Acxsys Corporation, a Participating Merchant, or a Participating Financial Institution;

TERMS AND CONDITIONS (CONTINUED)

- f) the Financial Institution, the Participating Financial Institution, and Central 1 are entitled to pay the Transaction amount to anyone who claims to be the Participating Merchant and provides the payment authorization details within 30 minutes of the Transaction being authorized by the Trustee;
- g) the Financial Institution will not be liable for losses or damages incurred as a result of a person other than the intended Participating Merchant receiving the Transaction amount;
- h) if the Participating Merchant cancels, declines, or fails to claim a Transaction that the Trustee authorized, the Transaction amount will be reinstated after 30 minutes have elapsed since the Transaction was authorized. However, the Financial Institution cannot guarantee the date or time that the hold on the Transaction amount will be removed;
- i) the Financial Institution, Central 1, or Acxsys Corporation may cancel a Transaction once it is authorized, but before payment authorization details are sent to the Participating Merchant, if there is reason to believe that a mistake has occurred or that the Transaction is a product of unlawful or fraudulent activity;
- j) once payment authorization details have been sent to the Participating Merchant, a Transaction cannot be cancelled. Payment authorization details are sent immediately after a Transaction is authorized by the Trustee;
- k) all disputes, including requests for refunds, will be handled directly between the Trustee and the Participating Merchant without the participation of the Financial Institution or any other party. A refund, if any, may be received through Direct Services and Central 1 for credit to the Account, or through such other method the Participating Merchant deems appropriate;
- l) the Financial Institution may refuse, in its sole discretion, to provide the Online Payment Service for the Trustee;
- m) in the Financial Institution's sole discretion, electronic Notifications for purposes related to the Online Payment Service may be generated and sent to the Trustee at the Notice Contact Information after the Trustee authorizes a Transaction, including to advise the Trustee that the Account has been debited. To receive an electronic Notification, the Trustee must provide the Notice Contact Information required by the Financial Institution;
- n) an electronic Notification, if any, sent in connection with the Online Payment Service is for information purposes only and is no guarantee that the Participating Merchant will successfully claim the Transaction or that the Trustee has successfully purchased the product or service from the Participating Merchant; and
- o) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of using the Online Payment Services, including, but not limited to, a delay in processing a Transaction or a Participating Merchant failing to claim a Transaction.

3.13 FOREIGN CURRENCY TRANSACTIONS – If the Trustee provides instructions to the Financial Institution on an Account that is denominated in a currency other than the currency of the Account, a conversion of currency may be required. In all such Transactions and at any time a conversion of currency is made, the Financial Institution may act as principal with the Trustee in converting the currency at rates established or determined by the Financial Institution, affiliated parties, or parties with whom the Financial Institution contracts. The Financial Institution, its affiliates, and contractors may earn revenue and commissions, in addition to applicable service charges, based on the difference between the applicable bid and ask rates for the currency and the rate at which the rate is offset in the market.

3.14 NO OBLIGATION – Nothing in this Agreement will oblige the Financial Institution to:

- a) honour any Instrument drawn by the Trustee on the Financial Institution,
- b) accept any monies for investment in shares or for deposit,
- c) redeem shares,
- d) transfer money, or
- e) lend money to the Trustee.

4. TRUSTEE INSTRUCTIONS

4.1 INSTRUMENTS – Notwithstanding article 2.7, Verification and Acceptance of Transactions by the Financial Institution, the Trustee acknowledges and agrees that the Financial Institution will not be obliged to examine or assure itself of the regularity or validity of any endorsement or signature appearing on any Instrument. The Trustee releases the Financial Institution from all claims by the Trustee or others concerning the regularity or validity of any endorsement or signature.

The Trustee further acknowledges and agrees that if more than 1 endorsement or signature is required on an Instrument, that such an arrangement is solely between and amongst the persons constituting the Trustee, whether the Financial Institution has notice of such an arrangement or not. The Trustee releases and agrees to indemnify and hold harmless the Financial Institution from all claims by the Trustee or others concerning the adequacy or authority of endorsements or signatures required in any arrangement made amongst the persons constituting the Trustee.

The Trustee authorizes the Financial Institution, without enquiry, to honour and pay Instruments drawn on the Account, regardless of whether such Instruments are:

- a) drawn to the order of the Trustee on behalf of the Trustee who signed them,
- b) payable to cash or bearer,
- c) payable to the order and negotiated by or on behalf of the Trustee,
- d) encashed or tendered to pay the obligations of the Trustee, or
- e) deposited to the credit of the Trustee.

4.2 COUNTERMANDS – Any countermand of payment (commonly called a “stop payment”) of an Instrument drawn on the Account must be in writing and signed by the Trustee who signed the Instrument that is the subject of the countermand, or by some other person(s) duly authorized by the Trustee. On receiving a countermand of payment of an Instrument drawn on the Account, the Financial Institution will:

- a) use reasonable diligence to comply with the countermand, but
- b) not be liable to the Trustee or any other person by reason of complying with, or failing to comply with, the countermand, whether the Financial Institution is negligent, wilfully negligent, or otherwise.

The Trustee hereby agrees to indemnify and save the Financial Institution harmless for all liability, costs, damages, and expenses incurred by the Financial Institution by reason of it complying with, or failing to comply with, a countermand of payment. This indemnity will enure to the benefit of the Financial Institution and will be binding upon the Trustee and their heirs, executors, successors, and assigns.

4.3 REMOTE INSTRUCTIONS – The Trustee may provide Remote Instructions to any branch of the Financial Institution as permitted by the Financial Institution, online through the Direct Services web portal, or through the Financial Institution's telephone banking service, if any. The Remote Instructions may concern the Account maintained at that branch, or concern other Transactions and arrangements conducted at or with that branch.

The Financial Institution may, but will not be obliged to, act on Remote Instructions received in the name of the Trustee along with any requisite PAC and/or PIW, if any, to the same extent as if the Remote Instructions were written instructions delivered to the Financial Institution by mail and signed by the Trustee authorized to operate the Account. Any such Remote Instructions are deemed genuine.

The Financial Institution may, in its sole discretion, acting reasonably, delay acting on or refuse to act on any Remote Instruction.

Remote Instructions are deemed received by the Financial Institution only when actually received and brought to the attention of an authorized officer of the Financial Institution capable of acting upon and implementing the Remote Instruction.

Remote Instructions can be transmitted to the Financial Institution at the telephone or fax number or email address provided by the Financial Institution, or at such other telephone or fax number or email address as the Financial Institution may advise the Trustee by notice in writing, or online through the Direct Services web portal. Any of the persons that constitute the Trustee may act alone and provide Remote Instructions to the Financial Institution, even if 2 or more signatures are otherwise required to operate the Account. The Financial Institution, acting reasonably, is entitled to assume that any person identifying himself or herself as the Trustee is in fact the Trustee, and can rely upon such, and the Financial Institution may act on the Remote Instructions provided by any such person. All Remote Instructions given to the Financial Institution in the name of the Trustee will bind the Trustee.

4.4 ACCESS TERMINAL TRANSACTIONS – The Trustee acknowledges and agrees that:

- a) using the PAC, PIN, and/or PIW to authorize a Transaction constitutes authorization of that Transaction in the same manner as if authorization was given by the Trustee in person or as otherwise contemplated or permitted by this Agreement;
- b) the Trustee will be bound by each such Transaction; and
- c) once a PAC, PIN, and/or PIW has been used to authorize a Transaction, the Transaction may not be revoked or countermanded.

This Agreement and the fact that the Trustee has use of a Debit Card does not give the Trustee any credit privileges or any entitlement to overdraw the Account, except as provided by separate agreement with the Financial Institution.

The Trustee irrevocably authorizes and directs the Financial Institution to debit or credit, as the case may be, the amount of any Transaction to the Account, together with any service charges or fees, authorized using the PAC, PIN, and/or PIW, in person by the Trustee, or as otherwise contemplated or permitted by this Agreement, in accordance with the normal practices of the Financial Institution, which may be amended from time to time without notice.

4.5 LOST OR DESTROYED INSTRUMENT – If an Instrument drawn on the Account is lost or destroyed while in the possession of another financial institution or its agents, the Financial Institution may, for all purposes, treat a copy of the Instrument, certified as being a true copy by the other financial institution, as though it were the original Instrument.

4.6 LOST OR STOLEN DEBIT CARD OR COMPROMISED PIN – If the Trustee suspects or becomes aware that the Debit Card is lost or stolen, or that the PIN has been made accessible to another person, then the Trustee will notify the Financial Institution or its agent immediately, in person or by telephone. Notification will only be considered given if the Trustee speaks directly to an authorized Financial Institution officer or agent. Upon receipt of such notice, the Trustee's liability for further unauthorized use

TERMS AND CONDITIONS (CONTINUED)

of the Debit Card will terminate. If the Trustee notified the Financial Institution promptly and cooperated in any investigation, once the Financial Institution is satisfied that the Trustee is the victim of fraud, theft, or coercion by trickery, force, or intimidation, the Trustee will be entitled to recover from the Financial Institution any direct losses from the Account through the use of the Debit Card in such fraud, theft, or coercion incurred after notice is given to the Financial Institution.

5. COLLECTIONS

5.1 DEPOSITS – The Financial Institution may:

- a) collect or present for acceptance or payment, through such banks or other agents as the Financial Institution may deem best, all Instruments delivered by the Trustee for deposit, discount, collection, or otherwise;
- b) accept in payment of, or remittance for, such Instruments, cash or bank drafts, cheques, settlement cards, clearing house slips, or any other evidence of payment from the banks or other agents; and
- c) place a hold on the proceeds of an Instrument presented by the Trustee until the Financial Institution accepts payment of, or remittance for, such Instrument.

Any deposit made on any day during which the Financial Institution is not open for business, or at any time during which the Financial Institution is not open for business, may be credited to the Account on the next business day of the Financial Institution.

The banks or other agents described in a) and b) above will be deemed the Trustee's agent and not the Financial Institution's agent.

The Financial Institution will not be liable for:

- d) any loss resulting from the acceptance of such evidence as a payment in lieu of cash,
- e) the failure of any bank or other financial institution or any agent to remit the same,
- f) the nonpayment of any cheque, bank draft, settlement card, clearing house slip, or any other evidence of payment accepted in payment or as a remittance from any other bank or agent, or
- g) the default, neglect, or mistakes of any such banks or agents.

The Financial Institution will be responsible only for the monies actually irrevocably received by the Financial Institution from such banks or agents and free of any Third Party claims.

5.2 HOLD ON ACCOUNTS OR TRANSACTIONS – The Financial Institution may place a hold on the Account if:

- a) the Financial Institution becomes aware of suspicious or possible fraudulent or unauthorized Account activity that may cause a loss to the Trustee, the Financial Institution, Central 1, or an identifiable Third Party;
- b) an issue arises as to who the proper signing authorities are on the Account; or
- c) a claim is made by a Third Party to the funds in the Account which, in the Financial Institution's sole discretion, is potentially legitimate.

The Trustee authorizes the Financial Institution to make such inquiries and do such things, at the Trustee's expense, as the Financial Institution deems necessary to resolve any of the issues noted above, including applying, at the Trustee's expense, to a court of competent jurisdiction (a "Court") to pay funds into Court and/or seek directions from a Court. The Trustee agrees to indemnify the Financial Institution for any expense or cost incurred by the Financial Institution arising from the need to place a hold on the Account or Transactions, including but not limited to expenses incurred relating to an application to a Court. If the Trustee is requested and fails to do so, the Financial Institution may, in its sole discretion, close or place a hold on the Account, free of any responsibility or liability for unprocessed Transactions during such time. Any credit to the Account for any non-cash Instrument is provisional and subject to a hold or reversal unless the Financial Institution has received actual irrevocable payment, free of any Third Party claims.

5.3 RETURNED ITEMS – The Trustee confirms that the Trustee is authorized pursuant to the terms of the Trust to permit the Financial Institution to debit the Account with the amount of any Instrument that:

- a) is not paid on presentation,
- b) the Financial Institution has paid and is then called upon to refund,
- c) may be dishonoured by nonacceptance or nonpayment,
- d) is drawn on the account of a party that is bankrupt or insolvent,
- e) the proceeds of which, through no fault of the Financial Institution, have been lost, stolen, or destroyed,
- f) the proceeds of which, for any reason, the Financial Institution is unable to collect or withdraw,
- g) has been cashed, negotiated, or credited to the Account but that has not been found good, or
- h) is found to be forged, fraudulent, counterfeit, or unauthorized, regardless of whether or not the Instrument has cleared.

The Trustee further acknowledges and agrees to indemnify and save the Financial Institution harmless for all liability, costs, damages, and expenses incurred by the Financial Institution in connection with the foregoing, and authorizes the Financial Institution to debit the Account in respect of any such liability, costs, damages, and/or expenses. This indemnity will enure to the benefit of the Financial Institution and will be binding upon the Trust, the Trustee, and their heirs, executors, successors, and assigns. The Trustee further represents and warrants that acceptance of the obligations and liabilities on behalf of the Trust, and exercise of the Financial Institution's rights pursuant to this Agreement does not constitute a breach of the terms of the Trust. This representation is a continuing representation on which the Financial Institution relies and it is the sole obligation of the Trustee to inform the Financial Institution if at any time it becomes untrue or inaccurate. The Financial Institution may, in its sole discretion, require that the Trustee provide confirmation of this representation in the form of an independent legal opinion, or in such other manner or form as may reasonably be required by and is acceptable to the Financial Institution.

5.4 OVERDRAFTS – If:

- a) the Financial Institution honours an Instrument drawn by the Trustee on an Account and insufficient funds stand to the credit of that Account to pay the Instrument in full; or
- b) an Instrument delivered by the Trustee to the Financial Institution for deposit, discount, collection, or otherwise is returned to the Financial Institution dishonoured, and insufficient funds stand to the credit of the Account to permit the Financial Institution to debit the full amount of the dishonoured Instrument; or
- c) the Financial Institution charges a fee, service charge, or other debit that the Financial Institution is authorized to charge to the Account, and if the funds standing to the credit of that Account are less than the amount charged to the Account;

then such event may, at the discretion of the Financial Institution, constitute:

- d) an application to redeem or transfer Financial Institution shares owned by the Trustee or to withdraw or transfer monies on deposit from an Account in the Trustee's name, to the extent that the funds standing to the credit of the particular Account are insufficient to pay the Instrument in full, or to permit the Financial Institution to charge the returned item or the fee, service charge, or debit to that Account; and
- e) an application for a loan to the extent that the shares or monies standing to the credit of the Account in the Trustee's name are insufficient to permit the payment or charging described in d) above.

If the Financial Institution grants a loan under e) above, the loan will be immediately due and payable forthwith without demand and the Trustee will pay interest on the balance of the loan at the Financial Institution's Overdraft Rate in effect from time to time.

The foregoing provisions do not give the Trustee any right to overdraw an Account or to authorize or permit anything, including a PAD or a Transaction authorized through a Debit Card, that would result in a negative balance in the Account. The Trustee agrees to indemnify the Financial Institution under article 7.3, Indemnity, d).

6. ACCOUNT SECURITY AND RISK

6.1 TRUSTEE RIGHTS FOR INNOCENT BREACH – Subject to the provisions of this Agreement:

- a) if the Trustee did not reveal the PAC, PIN, and/or PIW to any other person, other than authorized Financial Institution agents or officers when required by the Financial Institution, or write it down or otherwise record it, and changed the PAC, PIN, and/or PIW when required by this Agreement, the Trustee will not be liable for any unauthorized use that occurs after the Financial Institution has received written notice from the Trustee that the PAC, PIN, and/or PIW may have become known to someone other than the Trustee. The Financial Institution will not be considered to have received written notice until the Financial Institution gives the Trustee written acknowledgement of receipt of such notice; and
- b) the Financial Institution will not otherwise be liable for any damages or other liabilities that the Trustee may incur by reason of the Financial Institution acting, or failing to act, on Remote Instructions given in the name of the Trustee whether or not the Trustee actually gave the Remote Instructions. The Financial Institution will not be liable for any damages or other liabilities that the Trustee may incur by reason of the Financial Institution acting, or failing to act, on no statement requests made by the Trustee whether or not the Trustee actually gave the no statement request by Remote Instructions.

6.2 FRAUD PREVENTION AND DETECTION – The Trustee agrees to maintain appropriate security controls and procedures to prevent and detect thefts of Instruments, or losses due to fraud or forgery involving Instruments, or fraudulent or unauthorized Transactions.

The Trustee further agrees to diligently supervise and monitor the conduct and work of all agents having any role in the preparation of the Trustee's Instruments, the Trustee's reconciliation of the statement of account for the Account, or other banking functions.

TERMS AND CONDITIONS (CONTINUED)

6.3 PROCEDURES FOR ADDRESSING UNAUTHORIZED TRANSACTIONS AND OTHER TRANSACTION PROBLEMS – In the event of a problem with a Transaction or an unauthorized Transaction, the Trustee will report the issue immediately to the Financial Institution. The Financial Institution will investigate and respond to the issue on a timely basis. The Financial Institution will not unreasonably restrict the Trustee from the use of the Account subject to dispute as long as it is reasonably evident that the Trustee did not cause or contribute to the problem or unauthorized Transaction, has fully cooperated with the investigation, and has complied with this Agreement. The Financial Institution will respond to reports of a problem or unauthorized Transaction within 10 business days and will, within a reasonable period of time thereafter, indicate what reimbursement, if any, will be made for any loss incurred by the Trustee. Reimbursement will be made for losses from a problem or unauthorized Transaction in this time frame provided that the Trustee has complied with this Agreement and on the balance of probabilities it is shown that the Trustee took all reasonable and required steps to:

- a) protect the confidentiality of the PAC, PIN, and/or PIW as required by this Agreement;
- b) use security safeguards to protect against and detect loss, theft, and unauthorized access as required by this Agreement; and
- c) act immediately, upon receiving a Notification of, or becoming aware of, an unauthorized Transaction, to mitigate against further loss and report the issue to the Financial Institution.

6.4 DEBIT CARD CODE OF PRACTICE – This Agreement is drafted with due regard to the Canadian Code of Practice for Consumer Debit Card Services, a copy of which is available from the Financial Institution on request.

If the Trustee is not satisfied with the Financial Institution's response, the Financial Institution will provide the Trustee, upon request, with a written account of its investigation and the reason for its findings. If the Trustee is not satisfied, the issue will be referred for mediation to either a Financial Institution system dispute resolution service, or if no such service is available, to an external mediator if agreed between the Trustee and the Financial Institution. Neither the Financial Institution nor the Trustee will have the right to start court action until 30 days have passed since the problem was first raised with the Financial Institution.

Any dispute related to goods or services supplied in a Point-of-Sale Transaction is strictly between the Trustee and the Merchant, and the Trustee will raise no defence or claim against the Financial Institution.

6.5 ACCESS TERMINAL SECURITY – If Direct Services are made available through the Internet or a telephone service provider, the Trustee acknowledges that, although the Financial Institution uses security safeguards to protect against loss, theft, and unauthorized access, because of the nature of data transmission, security is not guaranteed and information is transmitted at the risk of the Trustee. The Trustee acknowledges and shall ensure that any private Access Terminal used to access Direct Services is auto-locked by a password to prevent unauthorized use of the Access Terminal, has a current anti-contaminant program and a firewall, and that it is his or her personal responsibility to reduce the risk of contaminants or online attacks and to comply with this provision. The Trustee further acknowledges that to reduce the risk of unauthorized access to the Account through the Access Terminal, the Trustee will sign out of Direct Services and, where applicable, close the browser when finished using it. The Trustee further acknowledges that using public or shared computers and Access Terminals, or using Access Terminals in a public place or through an open WiFi or shared Bluetooth portal, to access Direct Services increases the risk of unauthorized access to the Account, and will take all reasonable precautions to avoid such use or inadvertent disclosure of the PAC, PIN, and/or PIW.

6.6 PAC, PIN, AND PIW CONFIDENTIALITY – The Financial Institution can assign and/or require the Trustee to select and use a PAC, PIN, and/or PIW in connection with this Agreement. The Trustee agrees to keep the PAC, PIN, and PIW confidential and will only reveal them to authorized Financial Institution agents or officers when required by the Financial Institution. The Trustee agrees not to record the PAC, PIN, or PIW in any format or medium. The Trustee can change the PAC, PIN, or PIW at any time. The Trustee agrees to change the PAC, PIN, or PIW if and when required by the Financial Institution. The Trustee acknowledges that the PAC, PIN, and/or PIW must be changed if there is a change in the persons authorized to provide Remote Instructions on the Account.

The Trustee is responsible for all use of the PAC, PIN, and/or PIW and for all Transactions on the Account.

The Trustee acknowledges that the Financial Institution may, from time to time, implement additional security measures, and the Trustee will comply with all instructions and procedures issued by the Financial Institution in respect of such security measures. The Trustee is aware of the risks of unsolicited email, telephone calls, and text message transmissions from persons purporting to be representatives of the Financial Institution. The Trustee agrees not to respond to such unsolicited communications and will only initiate communications with the Financial Institution either through the Financial Institution's Internet banking website or through the Financial Institution's published contact information as shown on the Financial Institution's website.

If the Trustee discloses the PAC to a Third Party, and if the Financial Institution becomes aware of such disclosure, the Financial Institution may, in its sole discretion, waive the confidentiality requirements described in this article 6.6, PAC, PIN, and PIW Confidentiality, but only if such disclosure is for a reputable personal financial management service similar to that described in article 3.10, Personal Financial Management. Notwithstanding any such waiver, the Trustee acknowledges and agrees that the Trustee remains responsible for all use of the PAC by the Third Party.

6.7 EXCLUSION OF FINANCIAL INSTITUTION RESPONSIBILITY – The Financial Institution is not responsible for any loss or damage suffered or incurred by the Trust or by the Trustee except to the extent caused by the gross negligence or intentional or wilful misconduct of the Financial Institution, and in any such case the Financial Institution will not be liable for any indirect, special, consequential, or exemplary damages (including, but not limited to, loss of profits) regardless of the cause of action and even if the Financial Institution has been advised of the possibility of such damages. In no event will the Financial Institution be liable for any cost, loss, or damage (whether direct, indirect, special, or consequential) suffered by the Trust or the Trustee that is caused by:

- a) the actions of, or any failure to act by, the Trustee or any Third Party (and no Third Party will be considered to be acting as an agent for the Financial Institution unless expressly authorized to do so);
- b) the inaccuracies in, or inadequacies of, any information provided by the Trustee to the Financial Institution, including, but not limited to, any failed, duplicative, or erroneous transmission of Remote Instructions;
- c) the failure by the Financial Institution to perform or fulfill any of its obligations to the Trust or to the Trustee due to any cause beyond the Financial Institution's control; or
- d) forged, unauthorized, or fraudulent use of services, or forged, unauthorized, or fraudulent instructions or Instruments, or material alteration to an instruction, including Remote Instructions.

6.8 RISKS AND DUTIES – Except for loss caused exclusively by the Financial Institution's gross negligence or intentional or wilful misconduct, and subject to the limitations of liability in this Agreement, the Trustee assumes all risk of loss due to the use of the Account, including, without limitation, the risk of Third Party fraud and fraud committed by, or participated in or aided by, a Signing Officer. The Trustee further agrees that they will notify the Financial Institution immediately:

- a) of any suspected or actual misuse or unauthorized use of the PAC, PIN, and/or PIW, or
- b) if the PAC, PIN, and/or PIW becomes known to anyone other than the Trustee, and
- c) if the Trustee receives Notification of any Transaction affecting the Account that alerts the Trustee of Account activity that was not authorized by them.

The Trustee will change the PAC, PIN, and/or PIW if either of the notification requirements above in a) or b) arises.

The notification requirement above in b) does not apply if the Trustee has disclosed the PAC to a Third Party for a personal financial management service similar to that described in article 3.10, Personal Financial Management.

The Trustee acknowledges that the Trustee is responsible for all use made of the PAC, PIN, and/or PIW and that the Financial Institution is not liable for the Trustee's failure to comply with any part of this Agreement. The Trustee is liable for all authorized and unauthorized use, including all Transactions. The Trustee is also liable for all fraudulent or worthless deposits made into the Account. Without limiting the generality of the foregoing, the Trustee expressly acknowledges and agrees that they shall be bound by and liable for any use of the PAC, PIN, and/or PIW by a Signing Officer, a member of a Signing Officer's household, or a member of the Trustee's household.

The Financial Institution will not be liable to the Trustee for any action or failure to act of a Merchant or refusal by a Merchant to honour the Debit Card, whether or not such failure or refusal is the result of any error or malfunction of a device used to authorize the use of the Debit Card for a Point-of-Sale Transaction.

Except for direct losses, subject to the restrictions in this Agreement, resulting from circumstances beyond the Trustee's control such as technical problems and unauthorized use of the Debit Card and PIN, the Financial Institution will not be liable for any loss, damage, or injury arising from the use of ATMs or Point-of-Sale terminals or from any mechanical or operational failure of any such devices, and the Trustee releases the Financial Institution from liability for any such loss, damage, or injury. In the event of alteration of the Account balance due to technical problems, card issuer errors, and system malfunctions, the Trustee will be liable only to the extent of any benefit they have received, and will be entitled to recover from the Financial Institution any direct losses the Trustee may have suffered.

The Trustee will not use the Debit Card and PIN for any unlawful purpose, including the purchase of goods and services prohibited by local law applicable in the Trustee's jurisdiction.

The Trustee is liable for all transfers to linked accounts. The Trustee bears all risk for all such Transactions.

Where the Trustee knows of facts that give rise or ought to give rise to suspicion that any Transactions, instructions in respect of the Account, or Instruments deposited to the Account are fraudulent, unauthorized, counterfeit, or induced through or in any way tainted by fraud or unlawful conduct, or otherwise likely to be returned to the Financial Institution or found invalid for any reason, the Trustee has a duty to make reasonable inquiries of proper parties into such Transactions, instructions, or Instruments, as the case may be, to determine whether they are valid authorized Transactions, instructions, or Instruments, as the case may be, before negotiating or, alternatively, accessing any funds derived from such Transactions, instructions, or Instruments, and to disclose to the Financial Institution, the Trustee's suspicion and the facts upon which the Trustee's suspicion is based ("Suspicious Circumstances").

TERMS AND CONDITIONS (CONTINUED)

The Financial Institution may, in its sole discretion, investigate any Suspicious Circumstances disclosed by the Trustee, but the Financial Institution does not owe the Trustee any obligation to undertake its own investigation of Suspicious Circumstances. The Financial Institution may place a hold on all or some of the Accounts pending investigation of any improper use of any Account. Any hold imposed by the Financial Institution pursuant to any of the terms of this Agreement, or investigation undertaken by the Financial Institution, is imposed or undertaken by the Financial Institution at the Financial Institution's sole discretion and for the Financial Institution's sole benefit.

Release of a hold by the Financial Institution is not a confirmation that a Transaction, instruction, or Instrument is in fact good and may not be relied upon as such by the Trustee. If, to the satisfaction of the Financial Institution, any improper use is established, the Financial Institution can withdraw or suspend operation of the Account without notice.

Any monies or Instruments placed in an envelope or deposit bag and placed by the Trustee in the night depository will be at the Trustee's risk until the monies or Instruments are actually entered or recorded as a deposit to the credit of the Account. The Financial Institution is not responsible for or under any obligation to account for any lost or destroyed monies or Instruments which the Trustee may place in the night depository, even if the loss or destruction is the result of the Financial Institution's negligence or that of the authorized Financial Institution officers.

6.9 FINANCIAL INSTITUTION RECORDS – The Financial Institution's records of all Transactions will be deemed to be correct and will be conclusive and binding on the Trustee. All Transactions will appear on the regular statement of account for the Account.

If the Trustee believes or suspects that the records of the Financial Institution contain an error or omission, or reflect unauthorized Account activity, the Trustee must give immediate written notice to the Financial Institution, and in any event, must do so within the time provided in this Agreement.

A copy of any fax or email message or other Remote Instructions or the Financial Institution's notes of any Remote Instructions given by telephone may be entered into evidence in any court proceedings as if it were an original document signed by the Trustee. The Trustee will not object to the admission of the Financial Institution's or Central 1's records as evidence in any legal proceeding on the grounds that such records are not originals, are not in writing, are hearsay, or are documents containing information extracted from a computer, and all such records will be conclusive evidence of the Remote Instructions in the absence of documentary recorded evidence to the contrary.

In the absence of evidence to the contrary, the records of the Financial Institution are conclusive for all purposes, including litigation, in respect of any other matter or thing relating to the state of the Accounts between the Trustee and the Financial Institution in respect of any Transaction.

6.10 LIABILITY FOR ERRORS AND OMISSIONS – If the Financial Institution makes an error or omission in recording or processing any Transaction, the Financial Institution is only liable for the amount of the error or omission if the Trustee has not caused or contributed to the error or omission in any way, has complied with this Agreement, has given written notice to the Financial Institution within the time provided in this Agreement, and to the extent the liability is not otherwise excluded by this Agreement.

If the Trustee has given such notice, the Financial Institution's maximum liability is limited to the amount of the error or omission. In no event will the Financial Institution be liable for any delay, inconvenience, cost, loss, or damage (whether direct, special, indirect, exemplary, or consequential) whatsoever caused by, or arising from, any such error or omission.

7. THIRD PARTIES

7.1 LINKS – If Direct Services are made available through the Internet, the Financial Institution's website may provide links to other websites, including those of Third Parties who may also provide services to the Trustee. The Trustee acknowledges that all those other websites and Third Party services are independent from the Financial Institution's and may be subject to separate agreements that govern their use. The Financial Institution and Central 1 have no liability for those other websites or their contents or the use of Third Party services. Links are provided for convenience only, and the Trustee assumes all risk resulting from accessing or using such other websites or Third Party services.

7.2 SERVICES – The Financial Institution and Central 1 may, from time to time, make services provided by Third Parties available through Direct Services or the Financial Institution's website. The Trustee acknowledges and agrees that:

- a) the Financial Institution and Central 1 make the services of Third Parties available through Direct Services or the Financial Institution's website for the convenience of Trustees. The services are provided by the Third Party and not the Financial Institution or Central 1. The Trustee's relationship with the Third Party shall be a separate relationship, independent of the relationship between the Trustee and the Financial Institution and Central 1, and such a relationship is outside the control of the Financial Institution and Central 1;
- b) the Financial Institution and Central 1 make no representation or warranty to the Trustee with respect to any services provided by a Third Party even though those services may be accessed by the Trustee through Direct Services or the Financial Institution's website;
- c) the Trustee assumes all risks associated with accessing or using the services of Third Parties;

- d) the Financial Institution and Central 1 have no responsibility or liability to the Trustee in respect of services provided by a Third Party;
- e) any dispute that relates to services provided by a Third Party is strictly between the Trustee and the Third Party, and the Trustee will raise no defence or claim against the Financial Institution and/or Central 1; and
- f) the Proceeds of Crime (Money Laundering) and Terrorist Financing Act and Regulations may apply to the services provided by Third Parties and that the Third Parties may, from time to time, adopt policies and procedures to address the reporting, record-keeping, client identification, and ongoing monitoring requirements of that legislation.

7.3 INDEMNITY – The Trustee agrees to indemnify and hold the Financial Institution and its service providers and Central 1 and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to the Trustee's use of the Account. Trustees must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defense of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. Without limiting the foregoing, the Trustee will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential incurred by the Indemnified Parties as a result of

- a) any of the Indemnified Parties making the Account available to the Trustee,
- b) any of the Indemnified Parties acting upon, or refusing to act upon, Remote Instructions;
- c) any of the Indemnified Parties acting upon, or refusing to act upon, no statement requests made by the Trustee;
- d) any Transaction that results in a negative balance in the Account;
- e) the consequences of any Transaction authorized by the Trustee, or
- f) any claims arising out of allegations that the Account has not been operated in compliance with the terms of the Trust, or any alleged receipt of funds by the Financial Institution received from the Trustee, the Trust, or otherwise into the Account in breach of trust.

This indemnity will enure to the benefit of the Indemnified Parties and will be binding upon the Trustee and the Trustee's heirs, executors, successors, and assigns and shall survive the termination of this Agreement for any act or omission prior to termination as gives rise to an indemnified claim, even if notice is received after termination.

8. ACCOUNT RECORDS

8.1 PAPER STATEMENTS – Unless the Trustee requests the Financial Institution to hold the Trustee's statement of account for the Account for pick up by the Trustee, or appoints in writing an agent to pick up the statement of account for the Account, or consents to the statement of account for the Account being made available electronically, or requests no statement of account for the Account to be sent by the Financial Institution, the Financial Institution will mail such statement of account for the Account to the Trustee at the address the Trustee last gave in writing. It is the Trustee's responsibility to notify the Financial Institution immediately of any change in the Trustee's address.

8.2 NO PAPER STATEMENT ACKNOWLEDGEMENT – If, at the request of the Trustee, the Financial Institution agrees to cease printing and mailing statements of account for the Account to the Trustee, the Trustee acknowledges and agrees that the Trustee will be responsible to obtain (whether from the Financial Institution or using Direct Services) and review, after the end of each calendar month, a statement of account for the Account.

8.3 COMPLIANCE WITH NOTIFICATION DATE – The Trustee will be responsible to obtain (whether from the Financial Institution or using Direct Services) and review, after the end of each calendar month, a statement of the activity in the Account, and will, by the end of the following calendar month (the "Notification Date"), notify the Financial Institution of any errors, irregularities, omissions, or unauthorized Transactions of any type in that account record or in any Instruments or other items, or of any forgeries, fraudulent, or unauthorized Transactions of any type, and any debits wrongly made to the Account.

Notwithstanding any other provision of this Agreement, after the Notification Date (except as to any errors, irregularities, omissions, or unauthorized Transactions of any type of which the Trustee has notified the Financial Institution in writing on or before the Notification Date), the Trustee agrees that:

- a) the amount of the balances shown on the last day of the calendar month is correct and binding on the Trustee subject to the right of the Financial Institution to make reversals in accordance with this Agreement;
- b) all amounts charged to the Account are valid;
- c) the Trustee is not entitled to be credited with any amount not shown on the statement of account for the Account for that calendar month;
- d) the Trustee has verified the validity of any Instruments and instructions; and
- e) the use of any service shown is correct.

TERMS AND CONDITIONS (CONTINUED)

8.4 TRUSTEE ACKNOWLEDGEMENT – The Trustee acknowledges that:

- a) notwithstanding that an Instrument may be provisionally posted to the Account, it is not considered processed until it has been honoured and irrevocably collected by the Financial Institution and the time for return by any process of law has expired. The credit represented by an Instrument that is not honoured and collected, or is charged back or tainted by fraud, may be reversed from the Account notwithstanding any provisional posting. The statement of account for the Account will be modified accordingly; and
- b) notwithstanding that a deposit or other credit may be provisionally posted to the Account, it is not considered processed until it has been verified and accepted by the Financial Institution. A deposit or other credit that is not verified and accepted may be reversed from the Account notwithstanding any provisional posting. The statement of account for the Account will be modified accordingly.

8.5 PAD REIMBURSEMENT – Despite article 8.3, Compliance with Notification Date, if the Trustee has authorized PADs to be issued against any of the Accounts, the Trustee acknowledges that the Rules provide that, under specified conditions, claims for reimbursement of PADs may be made and:

- a) where the purpose of the PAD was for payment of consumer goods and services, the time period for making such a claim is 90 calendar days from the date of debiting; and
- b) where the purpose of the PAD was for payment of goods and services related to commercial activities of the Trustee, the time period for making such a claim is 10 business days from the date of debiting.

Claims must be made in writing to the Financial Institution within the specified time period and in compliance with the Rules, as amended from time to time.

8.6 ACCOUNT STATEMENTS AND TRANSACTION VERIFICATION – The Trustee shall be deemed to have received a statement of account for the Account each time the Trustee uses Direct Services and each time the Trustee obtains an Account balance through any ATM or Access Terminal or conducts a Point-of-Sale Transaction. The Trustee shall also be deemed to have received and reviewed a statement of account for the Account at least monthly no later than the 21st day of the month following the preceding month, whether actually issued by the Financial Institution or whether the Trustee actually receives one or not.

The Trustee agrees to examine every statement of account for the Account as soon as the Trustee receives it or is deemed to have received it. The Trustee shall immediately, and in any event no later than 30 days after receiving or being deemed to have received a statement of account for the Account, give notice to the Financial Institution of any errors, omissions, or irregularities, including any fraud or unauthorized activity, included in or preceding each such statement of account for the Account. Unless objected to in writing within 30 days of the date on which the statement of account for the Account is received or is deemed to have been received by the Trustee, the Trustee agrees that the Financial Institution's records are conclusive evidence of the Trustee's dealings with the Financial Institution regarding the Trustee's Account and are correct, complete, authorized, and binding upon the Trustee, and the Financial Institution will be released from all responsibility for Account activity preceding the statement of account for the Account.

After the expiration of the 30-day period (except for errors or irregularities identified by notice in writing to the Financial Institution before the 30 days expire), the Trustee may not claim for any purpose that any entry on the statement of account for the Account is incorrect and will have no claim against the Financial Institution for reimbursement relating to any entry, even if the entry is unauthorized or fraudulent or is based upon an Instrument or instruction that is forged, unauthorized, or fraudulent.

Nothing in this article limits in any way the rights of the Financial Institution under this Agreement including, without limitation, the rights of the Financial Institution under article 2.8, Noting or Protesting, article 5.1, Deposits, and article 5.3, Returned Items.

8.7 RECORDS AND CHEQUE IMAGING – The Financial Institution will determine, in its sole discretion, whether Instruments and other items will be returned to the Trustee with the statement of account for the Account.

If the Financial Institution implements an imaging program, the Financial Institution will determine, in its sole discretion, whether copies of images of Instruments and other items will be provided for the statement of account for the Account. The Trustee acknowledges that copies of images of Instruments and other items may be provided before the Financial Institution has determined whether the Instrument or other item will be honoured or accepted and agrees that copies of images of Instruments and other items are made available by the Financial Institution as a service to the Trustee and that the provision of copies of images of Instruments and other items does not mean that the Transaction has been processed or in any way oblige the Financial Institution to honour or accept the Instrument or other item.

The Trustee acknowledges that if the Financial Institution adopts an imaging program, the physical Instruments and other items may be destroyed. If the Financial Institution has implemented an imaging program and determines not to include copies of images of Instruments and other items with the statement of account for the Account, the Financial Institution will ensure that copies of images can be made available to the Trustee upon request for at least 5 years following the date of the statement of account for the Account on which the Instrument or other item appears, subject to payment of the service charges established by the Financial Institution from time to time.

8.8 VIEWING DOCUMENTS – The Financial Institution may, in connection with Direct Services, permit the Trustee to view and print images of documents. The Trustee acknowledges and agrees that such images are made available by the Financial Institution as a service to the Trustee and the provision of such images in the past does not in any way oblige the Financial Institution to continue to permit the Trustee to view and print images of documents.

9. OPERATION OF THE ACCOUNT

9.1 OPERATION OF TRUST ACCOUNTS – The Trustee acknowledges that the Financial Institution is not acting as a Trustee for any of the Accounts. The Trustee further acknowledges that the Financial Institution is not required to recognize funds being held upon the Trust and is not required to supervise the operation of any Trust Account to ensure that it is operated in compliance with the provisions of the Trust, whether or not the Financial Institution has notice of the specific provisions governing the Trust. Each Account that is or is purported to be subject to the Trust will be operated by the Financial Institution pursuant to the terms of this Agreement.

9.2 WAIVER OF CLAIMS BY BENEFICIARY – If a person constituting the Trustee is a Beneficiary, then that person hereby irrevocably waives any and all claims that such person may now or at any time in the future have against the Financial Institution in connection with

- a) a breach of trust by any other person constituting a Trustee or Signing Officer; and
- b) the Accounts not being operated in compliance with the provisions of the Trust.

9.3 MODIFICATION OF AGREEMENT – The Financial Institution may, in its sole discretion, amend the terms and conditions of this Agreement as it relates to the Trustee's future use of the Account from time to time, for any reason, without any liability to the Trustee or any other person. The Financial Institution may provide notice of a change to this Agreement by sending notice to the Trustee's last known Notice Contact Information, by posting notice at the Financial Institution's premises, by personal delivery, or by any other means the Financial Institution, acting reasonably, considers appropriate to bring the modification to the attention of the Trustee. The Trustee is responsible for regularly reviewing the terms and conditions of this Agreement. If the Trustee uses the Account after the effective date of an amendment to this Agreement, it will mean that the Trustee agrees to the amendment and adopts and is bound by the newer version of this Agreement. The Trustee may not change, supplement, or amend this Agreement by any means.

9.4 TERMINATION – This Agreement may be terminated by either the Financial Institution or the Trustee on not less than 1 business day's prior written notice.

The Trustee shall not:

1. **ACCEPTANCE OF PFM SERVICE SPECIAL TERMS** – The Trustee acknowledges their acceptance of these PFM Special Terms such that they form and are part of the Agreement. The Financial Institution does not offer Direct Services other than in accordance with these terms and conditions.

If there is more than one Trustee in respect of the Account, or multiple holders of the External Account, the Trustee expressly accepting these terms hereby warrants and represents to the Financial Institution that such Trustee has the lawful, express, and actual authority of all other Trustees on the Account, or holders of the External Account, and each of them:

 - (i) to consent to the use of all and each of the Trustees' personal information for purposes of the provision and use of PFM Services; and

The Trustee understands that the institutions holding the Trustee's External Accounts may prohibit disclosure of the Trustee's personal access codes, and that it is the Trustee's responsibility to confirm that the Trustee's personal access codes can be disclosed to Yodlee for the purpose of linking the External Accounts. This will not be confirmed by the Financial Institution, the F.I. Affiliates, or Yodlee.

The Trustee agrees and acknowledges that the Financial Institution or any F.I. Affiliate is not responsible or liable for any loss, harm, or damage, of any kind, related to or arising from linking the Trustee's Financial Institution Account with the Trustee's External Accounts, or arising from disclosure of the Trustee's personal access codes for purposes of linking the Trustee's External Accounts, to the extent permitted by law, subject to the Financial Institution or F.I. Affiliate being liable for the consequences of their own act and that of its representatives.
5. **MARKETING CONSENT FOR PFM SERVICE** – The Trustee understands that if the Trustee has previously provided to the Financial Institution a marketing consent to receive promotional offers, then the Financial Institution, and its agents, representatives, and service providers will use the information from the Trustee's linked accounts to provide promotional and marketing information to the Trustee.

The Trustee authorizes the Financial Institution and the F.I. Affiliates to collect, use, and disclose the Trustee's personal information in order to add, modify, or delete reference to the asset(s) or liability(ies) to the Trustee's Account with the Financial Institution, whether in the future or the past.
